

## OUR OUTREACH

### *Messianic Network Worldwide*

The vision of the IAMCS is worldwide in scope. Our membership now includes Messianic Jewish congregations from over 20 nations including Israel, Ukraine, Canada, and many European and South American countries. We are currently working all over the world with Messianic believers, assisting them to establish Messianic Jewish congregations. It is our desire to see Messianic Jewish congregations established and flourishing everywhere there are communities of Jewish people just as there was in the first century CE (Ya'akov/James 1:1;2:2).

## OUR LEADERSHIP

The IAMCS is directed by a Steering Committee consisting exclusively of IAMCS ordained Messianic Rabbis, led by a Chairman. The Steering Committee is appointed by the President of the Messianic Jewish Alliance of America (MJAA) subject to ratification by the Executive committee of the MJAA. The Steering Committee discusses, plans, and implements activities and programs to meet the needs within the Messianic Jewish congregational movement.

"I will gather the remnant of My flock out of all the countries where I have driven them, and will bring them back to their folds, and they will be fruitful and multiply. I will raise up shepherds over them who will feed them. They will no longer be afraid or dismayed, nor will any be missing, it is a declaration of ADONAI" (Jer. 23:3,4 TLV).

# IAMCS VISION

The spiritual vision of the IAMCS is to see the outpouring of God's Spirit upon our Jewish people through Messianic Jewish congregations. The IAMCS is not designed to be a denominational structure, but rather to be an instrument in promoting Messianic Jewish revival and to provide for the needs of its members.

The IAMCS facilitates a licensing and ordination program for Messianic leaders. As part of this effort, the IAMCS MESSIANIC YESHIVA was created. Courses are offered through correspondence as well as at all MJAA and IAMCS conferences. These courses are useful for educating current congregational leaders, potential leaders, or anyone interested in studying from a Messianic Jewish perspective.

Our annual Rabbi's Conference is held in Orlando, Florida and is attended by Messianic leaders from around the world who gather at this highly specialized conference.
